VOLUNTEERING

Technical Assistant

National Games Gujrat 2022

09/2022 - 10/2022

My role as a technical assistant at the National Games Gujarat 2022 provided invaluable exposure to managing technical aspects in a high-pressure, time-critical setting.

IIC Member

Technocrats Institute of Technology(Excellence)

Present

As a IIC Member , I've organised, managed and hosted many hackathons and programs for students with engineering background

SUMMARY

To leverage my technical skills and creativity for innovative projects in a collaborative environment to fetch a dynamic internship/position

EDUCATION

B.tech in Computer Science and Engineering

Technocrats Institute Of technology(Excellence)

2021 - Present

12th

St. Joseph's Sr. Sec. School - India

2021

EXPERIENCE

Internship

MathWorks

05/2023 - 09/2023 Remote

MathWorks is the company behind MATLAB, a leading technical computing software used across various industries and academia

- During this internship , I've learned and made several projects on cutting edge technologies like machine learning and image processing

IT Intern

Bhopal Municipal

03/2023 - 07/2023 Bhopal

The Bhopal Municipal Corporation (BMC) serves as the governing body for Bhopal, the capital city of the Indian state of Madhya Pradesh

- I've worked on website which BMC , specially ICCV uses for monitoring and tracking the various activities which happens under BMC

Student Intern

Ramraj Technology Solutions

04/2022 - 06/2022 Bhopal

One of the leading IT company in Bhopal

- I gained hands-on experience in C++ programming, honing my skills through practical application in various projects. I developed a proficient understanding of C++ concepts and successfully implemented them to create impactful projects, solidifying my expertise in this programming language.

PROJECTS
